

A Commission Guide: What Does Austrian Pay Commission On?

Dear Austrian-Publisher,

Every now and then we are contacted and asked for details about the paid commissions you receive for sales you generated for Austrian Airlines.
To improve transparency please find this summary of the rules:

Austrian will provide commissions solely on the Base Fare of a booking.
No commission will be granted on taxes, fees, surcharges, or any other ancillary charges.

The Base Fare can be viewed by selecting "Show price details" as shown below:

Price details		×
1 Adult	EUR 5,423.50	^
Air Transportation Charges	EUR 4,070.00	
Base fare	EUR 4,070.00	
Surcharges	EUR 1,230.00	
International/Domestic Surcharge	EUR 30.00	
International/Domestic Surcharge	EUR 1,200.00	
Taxes, fees and charges	EUR 123.50	
Passenger Security Charge	EUR 10.52	
Air Transport Levy	EUR 12.00	
Airport Service Charge	EUR 22.45	
Canadian Air Travellers Security Charge	EUR 21.68	
Airport Improvement Fee Deposit	EUR 23.47	
Passenger Service And Security Charge	EUR 23.18	
Ticketing fee	EUR 5.00	
Total price per adult	EUR 5,423.50	
× 1 Adult	EUR 5,423.50	

So in this case your commission will be calculated on 4.070 EUR (not 5.423,50 EUR).

The Base Fare can be viewed by the user before or after the purchase of the flight.
It is also visible in the Passenger Receipt attached to the Booking Confirmation email.
Additionally, the price breakdown, including the Base Fare can be retrieved any time via the Manage My Booking page.
